

# TENOR

## 2013 Tenor Merlot

“Tasted out of barrel, the 2013 Columbia Valley Merlot look incredible. Medium to full-bodied, ripe, mouth-filling and seamless, with big structure, it offers lots of blackcurrants, crushed herbs and mineral-like aromas and flavors. There’s a lot of tannin (which will need to be watched), but the purity of fruit is stunning. Note, this is the first 100% Merlot this estate has done since 2008.”
